

1 区画 : 2 m × 5 m (10m²)

The diagram illustrates a parking lot layout with the following sections and details:

- Building Side (管理棟側):** Located on the left, it includes a small building footprint with two numbered spaces (1, 2) and a section labeled **F 区画**.
- Parking Lot Side (駐車場側):** Located at the bottom, it includes a large rectangular area with a grid of spaces, some marked as empty (空き区画) in yellow.
- Central Road (通路):** A vertical road runs through the center of the parking lot, separating the building side from the parking lot side.
- Sections (区画):** The parking lot is divided into seven sections labeled **A 区画** through **G 区画**, separated by the central road and horizontal roads.
- Empty Spaces (空き区画):** Yellow-highlighted spaces indicating available parking spots:
 - Section B:** Spaces 9 and 10.
 - Section C:** Space 16.
 - Section D:** Spaces 15 and 16.
 - Section E:** Space 6.
- Dimensions:** Each parking space (区画) is 2 m wide and 5 m long, totaling 10m².
